

JV Baseball

TAKE ME OUT TO THE BALL GAME!

Baseball has been a part of American culture for over a century, and it is clearly a part of CCHS culture. Our junior varsity players are able to step onto the field ready to take action, just as the players in the movie have. They play as a team so they can win as a team. The hard work they put in doesn't go unnoticed. They practice to win and we see that on game day. They push themselves to work hard whether they win or lose. It doesn't matter what the motivation is that makes them decide to play; as long as they work together a win will come easily.

SHOW TIME!

There's nothing like a huddle before game time. Our CCHS baseball players come together to make sure they're all on the same page before their big game. Words of encouragement are said and quick words of wisdom are passed between the players.

TIME TO FILM

Freshman Palmer Thomas catches the ball in the outfield and quickly tosses it and is always ready to take action for the team.

STRAIGHT OUT OF A MOVIE

SCENE 3

Freshman Dashaun Blocker puts all his concentration into the game as he prepares to swing.

(Left) Sophomore Edward Bennett gets ready on home base to put all this strength behind that bat in order to run for his team. (Right) Edward pitches with accuracy and determination.
