Shane,

We are proud of the young
man you've become. Always
keep your head held high
and your faith strong.

We love you-
Mom and Dad

Charles D. Bridge III

Charles, No matter what
obstacles come your way,
persevere and don't quit! I can't
wait to see you graduate, and
show everyone you could do it!
I love you! <3 Always, Bianca

Believe in yourself, because you
can do it! Look to God and
everything else will fall into place.

I Love You!
Love, Mom
