

DEDICATION

IN MEMORIAM

For fourteen years there was humor in losing a game. For fourteen years there was honor in having played to the best of one's ability. And for fourteen years there was thanks for having won a game instead of conceit. For fourteen years Coach Phillip Wooten served as our athletic director and coach.

To him this yearbook has been dedicated as tribute, a man loved and respected by all.

There are few men like Coach Wooten, and we feel that we are in some way better for having known him.
