DEDICATION

IN MEMORIAM

For fourteen years there was humor in losing a game. For fourteen years there was honor in having played to the best of one's ability. And for fourteen years there was thanks for having won a game instead of conceit. For fourteen years Coach Phillip Wooten served as our athletic director and coach.

To him this yearbook has been dedicated as tribute, a man loved and respected by all.

There are few men like Coach Wooten, and we feel that we are in some way better for having known him.

CONGRATULATIONS AND BEST WISHES
TO THE
CLASS OF 1968

CONGRATULATIONS

I am pleased to add my personal congratulations to the class of 1968 for your accomplishment during the past four years.

As you complete this portion of your education, let the influence that you have on your community, state, and nation reflect the high ideals that you have learned at Colleton High School.

You are to be commended for this, the second annual published at Colleton High School.

Go forward with Hope, continuing to be happy, by taking advantage of every opportunity, always proud in doing an excellent task.

May God bless you and keep you in the years to come permeating your life with His influence.

*Ed Hoffman
Sup of Schools*

PRINCIPAL'S MESSAGE TO THE CLASS '68

It is hoped that your four years at Colleton High School have been profitable as well as pleasant.

I am proud to see you publish a yearbook for the second time. This should reflect the memories of your school days, the charms of youth and your fellow classmates.

Emotions are mixed about departing from your Alma Mater. This is only a beginning in your climbing the educational ladder of success.

Your high school work has been directed and simplified for you, from now on you must depend more on your own efforts and decisions. Your success in life will depend on your own initiative. Take advantage of the many opportunities available to you. In this changing world in which we live, you must be able to cope with many problems.

Colleton High School has been your home during the formative years of your life. May you reflect credit to this institution.

My prayers and best wishes go with you as you leave the classrooms of dear old Colleton where many experiences have been gained.

Mr. F. L. Talford, Jr., Principal

A Message from Mr. R. T. Johnson, Assistant Principal, in the word of Rudyard Kipling

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;
If you can dream - and not make dreams your
master;
If you can think - and not make your thoughts your
aim,
If you can meet with Triumph and Disaster,
And treat those two imposters just the same:
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken
And stoop and build 'em up with worn-out tools;
If you can make one heap of all your winnings,
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold On"

TO THE GRADUATES, '68

As you take the second step along the highway of life, may you pursue careers of satisfaction in usefulness to yourself, to your fellowmen, and to God.

We have tried to provide opportunities through administration, guidance and counseling and teaching. You have opportunities available that have never occurred before. Why not stop, Look, Read, Listen, and Think, so that you may avail yourself of the chances that are now yours. Then you will prove your worth in many occupational areas. Let your love for Colleton be reflected in your determination to fulfill your highest hopes, thereby making worth while contributions.

Remember "Seniors", "It is better to work toward than dream about your future."

Edith Manigo - Horace Fishburne

SENIOR SUPERLATIVES

MOST INTELLECTUAL
Patricia Gaillard - Carroll Campbell

MOST POPULAR
Bettylene Mulligan & Alex Jerome Holmes

CORONATION!!

Late Love in Action!!!

Again in Late Love !!!

MAY DAY!!!

ALMA MATER

All hail to Thee, dear Colleton High
The only place our interest lie;
With happy voices, joy is told,
We love our dear Purple and Gold.

We'll keep ole Colleton in our hearts
Our faces with pride, bright as the sun;
But time and change will not scatter in parts,
The cherished friendships made at Colleton.

Bright high school days; with pleasure bright
Striving hard to do things that are right
we'll fight for thee; through joy and tears
And cherish Colleton throughout the years.

SUMMER!!!

COLLETON HIGH SCHOOL FACULTY

Should you be an **ENGINEER?**

Every year more and more young men and women graduate from South Carolina high schools. It is an event which poses this important question: What is the next step after graduation? If you are searching for the right career, and have an inquiring mind, an interest in math and want a satisfying life, a rewarding career in engineering can be yours. The time to start is now! Talk to your parents and school counselor today.
