

*Motion — We Move, We Think, We Talk,*

Rush to classes. Run to catch the bus. Ever hurrying to grasp the knowledge waiting for us, constantly alert to new and exciting ideas.

This is our MOVEMENT toward education. Thought-provoking classes challenge the mind. Erudite conversations communicate impressions. Fast-moving athletics develop sportsmanship and coordination.

From extracurricular activities come opportunities for leadership and honor. The positions we will hold in our future work depend on our movements of today.
