The Spirit is Great in 88!

BULLPUP

Dedication

Mrs. Alease G. Samuels

We the students, faculty, and staff of Colleton Middle School, dedicate this, our fourth edition of the BULLPUP to Mrs. Alease G. Samuels.

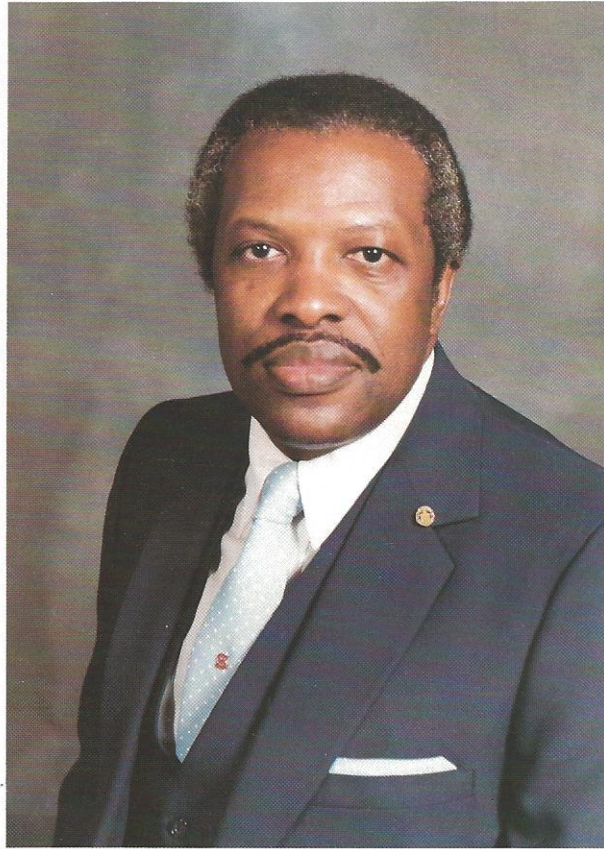

Mrs. Samuels is a graduate of South Carolina State College in Orangeburg, South Carolina, where she received both her Bachelor of Science and Master of Science degrees. She has served as an educator for 43 years. She began as a teacher, has served as principal, and ended her career as a media specialist.

The students, faculty, and staff of Colleton Middle School has had the pleasure of her skills for many years. Many of the residents of this county will never forget all of the special moments that will be forever tucked away in the hearts of the many people you so dearly touched.

Mrs. Samuels, we salute your fortitude and say "Thank you" for giving so much of yourself to a sincerely dedicated cause. Your concern (sometimes misunderstood) and goodwill for others will never be forgotten.

Enjoy your retirement which is more than well deserved!

Principal's Message

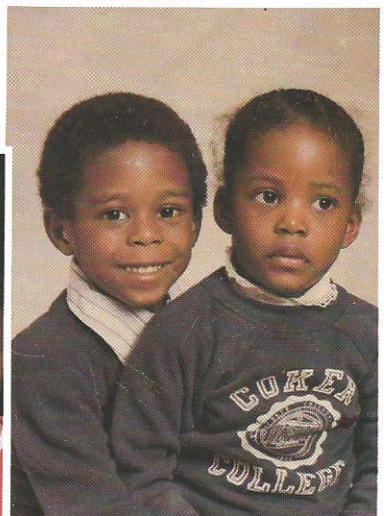

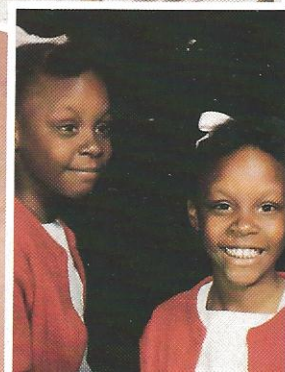

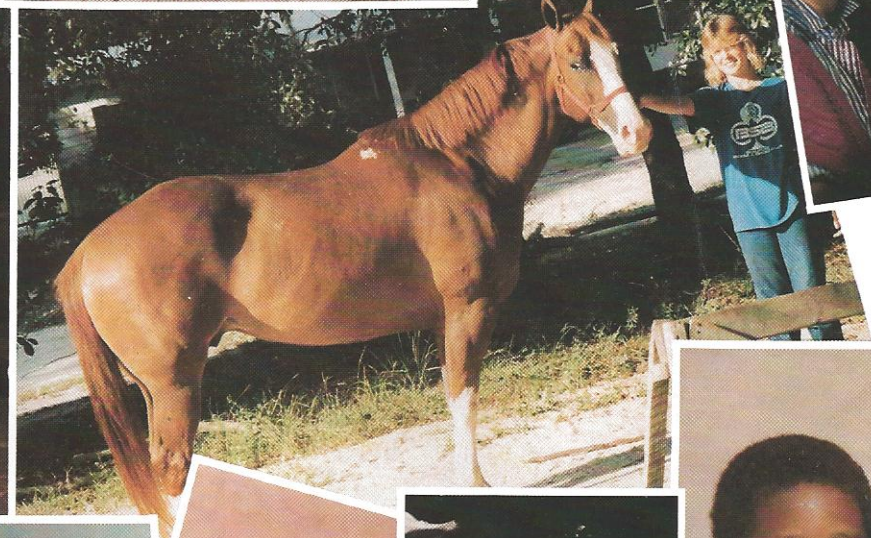

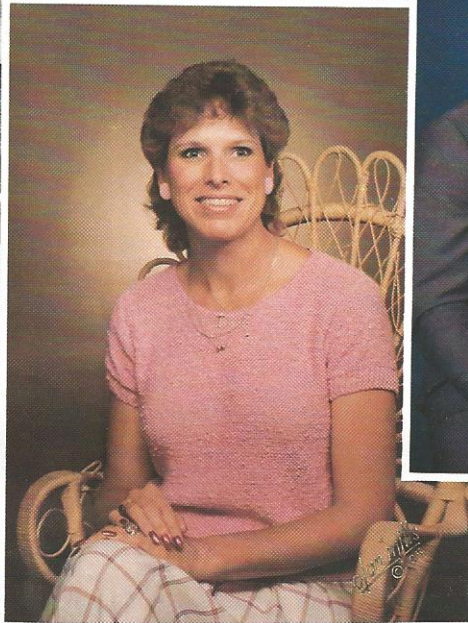

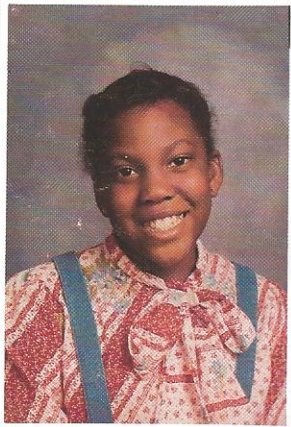

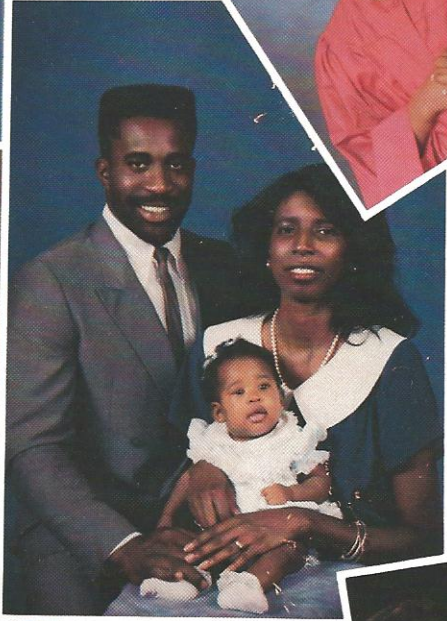

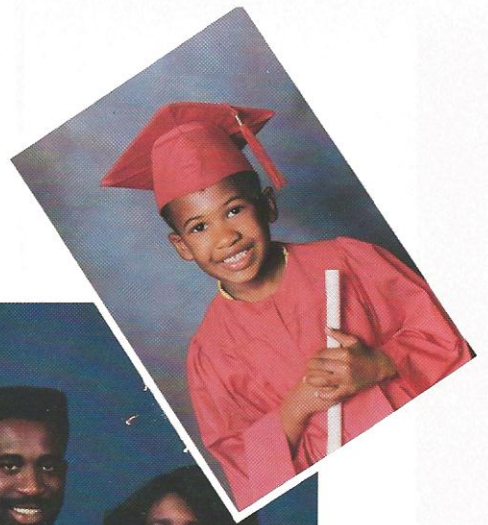

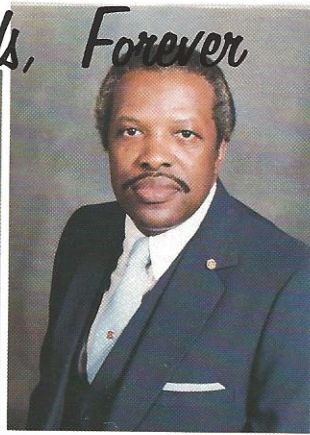

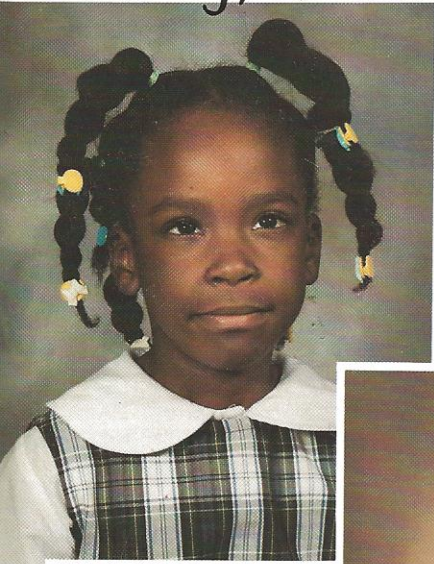

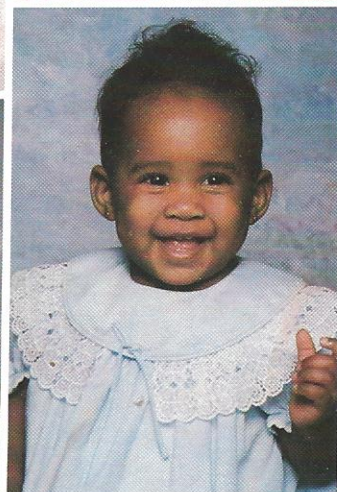

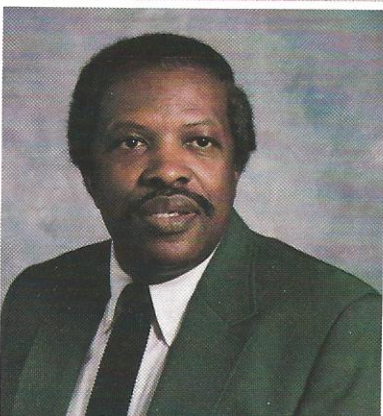

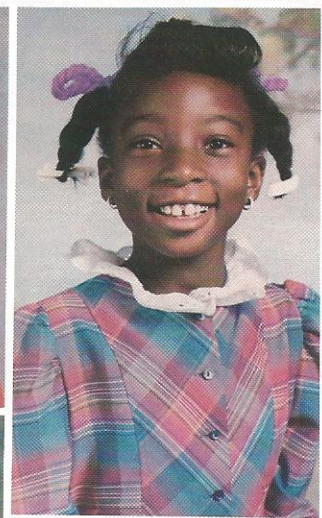

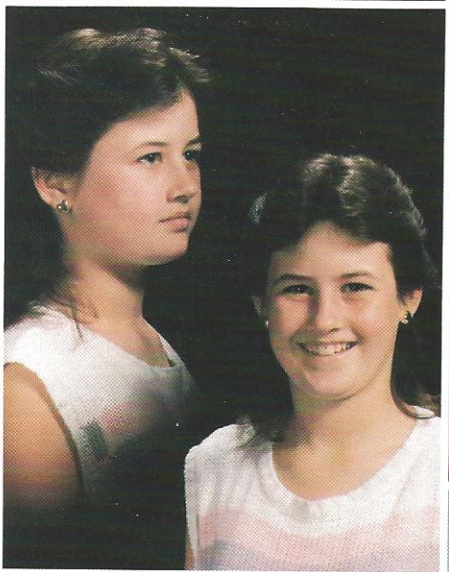

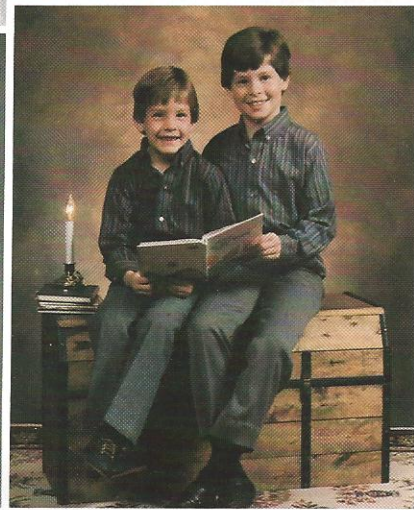

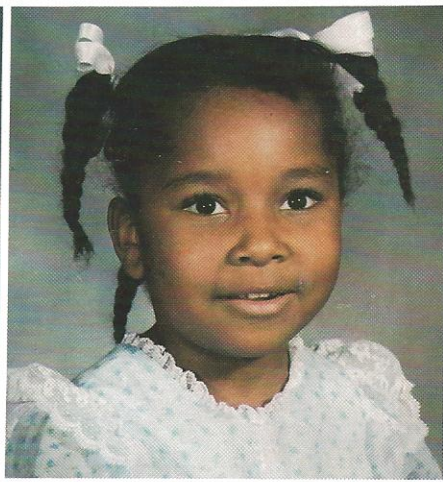

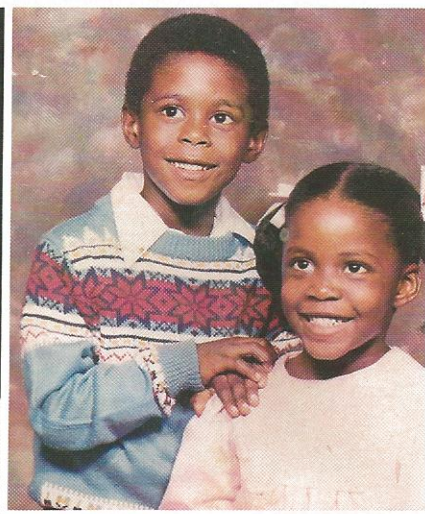

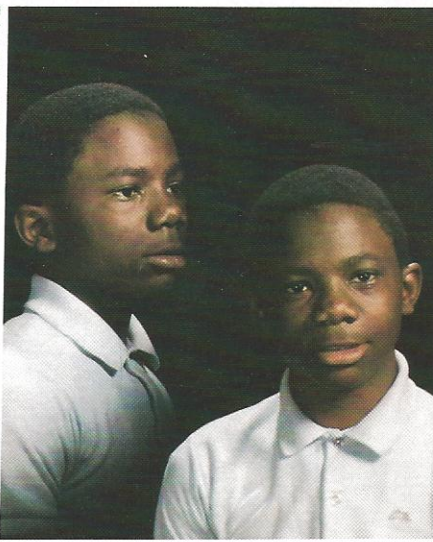

As Principal of Colleton Middle School, it is my sincere and heartfelt pleasure to extend to you good wishes and to express my gratitude for the superb cooperation rendered during the past academic year.

To the faculty, I ask that you continue to emit a spirit of positive thinking and that you continue in your unyielding effort to provide the students with challenges and knowledge to prepare them for tomorrow. To the students, I ask that you challenge the faculty to teach you in a manner which will prepare you to stand tall with other students from across this nation. Further, I encourage you to get all you can from the Colleton Middle School experience.

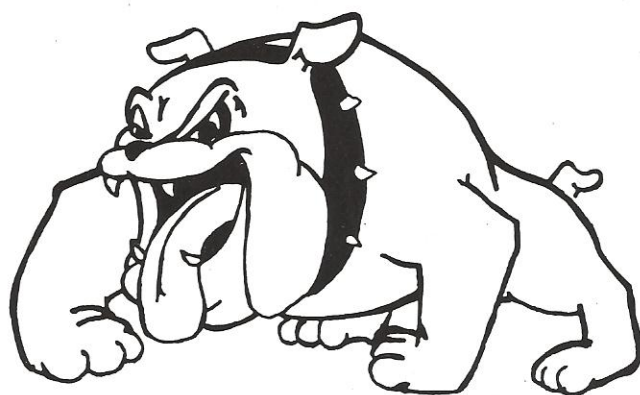

Colleton Middle School will provide through its curriculum experiences which will help each student explore the skills, attitudes, and the motivation needed to pursue a useful and rewarding career in life. I challenge you to take advantage of the Colleton Middle School Experience.

Office Helpers

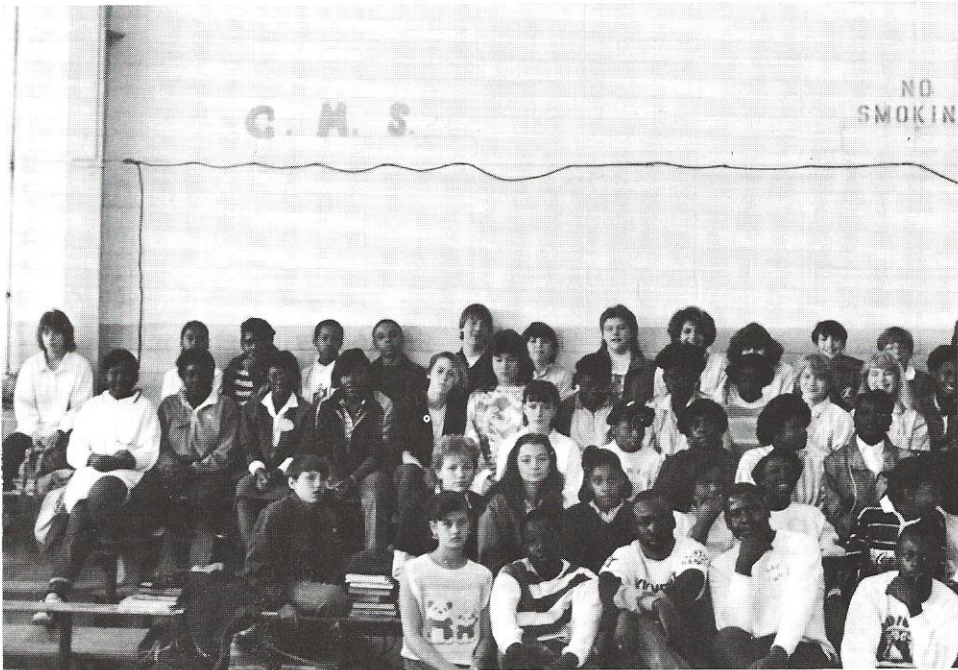

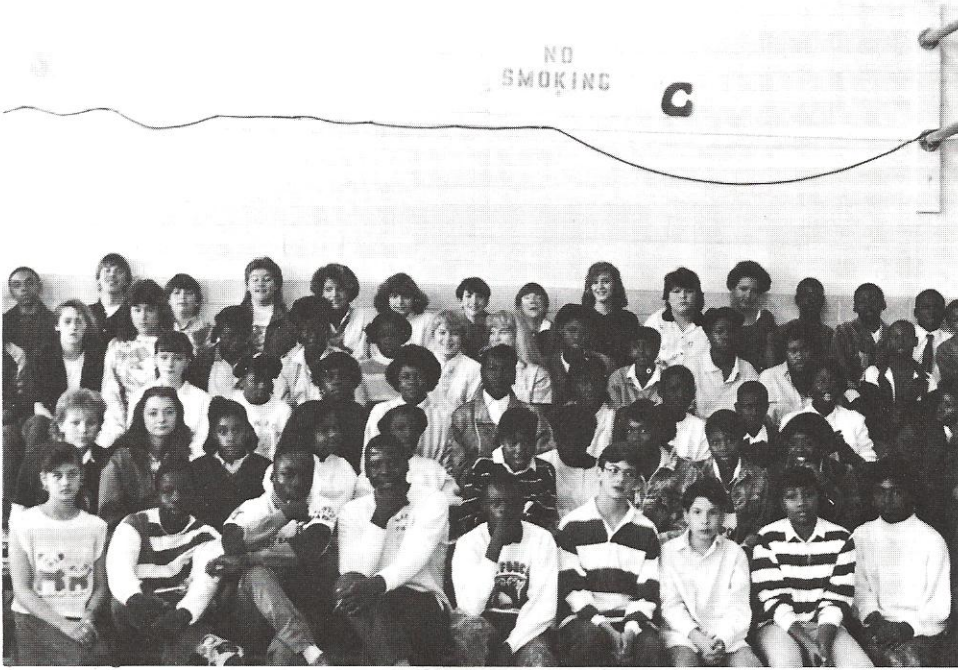

The Office Helpers are a group of students who take time out of their busy schedule to aide our administrators. These students work in the following offices: The Main Office, Mr. Murray's Office, Mr. McKinnon's Office, The Guidance Office, Mrs. Bell's Office, and Ms. Middleton's Office.

As a reward for their excellent work, the Office Helpers travel during the Spring Break on an educational tour. The trip is sponsored by Mrs. Martha W. Smalls and Mrs. Judy Pilch.

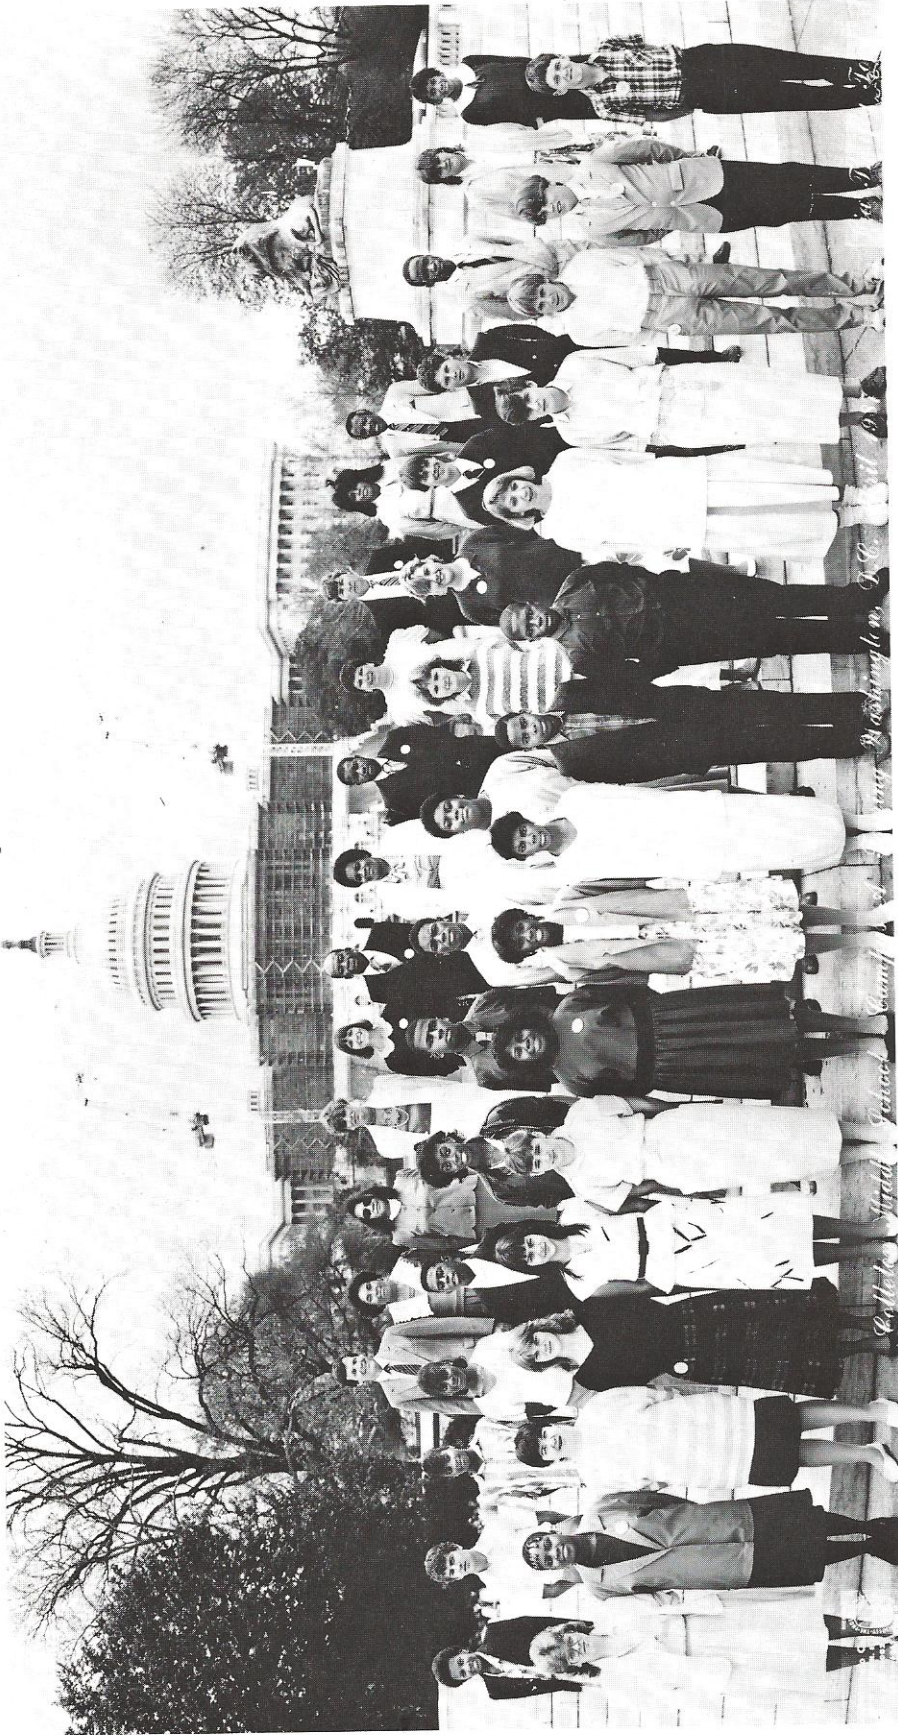

The group traveled to Washington, D.C. April 1987. They visited the U.S. Capitol, the White House, Smithsonian Institution, Ford's Theatre, Embassy Row, Lincoln Memorial, John F. Kennedy Center for the Performing Arts, the Vietnam Memorial, and Arlington National Cemetery.

The group will travel to Philadelphia this Spring. Their itinerary will include: Historic Philadelphia, the Liberty Bell, Congress Hall, Carpenter's Hall, Franklin Court, the Betsy Ross Home, Valley Forge, Washington's Headquarters, Hershey Chocolate Factory, and Amish Farmlands Tour to learn about the history, culture, religion and the way of life of Lancaster's Amish people.

In-School Suspension Program

Spencer Moorer, Coordinator

In-School suspension is a disciplinary measure whereby a student is assigned to a special room, at school, whenever the privilege to attend the regular classroom has been denied because of inappropriate behavior. The In-School Suspension Coordinator will provide academic work along with isolation, designed to promote a positive change in the student's behavior upon returning to class. Parents are notified and they are expected to assist with the positive change in the student's behavior.

"Upon Indiana soil we lay our foundation
Kappa Alpha Psi shall be our creation.
Let us build brotherhood wherever we go
Until campus after campus will Kappamen know.
Teaching men to achieve shall be our role
The world our stage, achievement our goal.
And so here, now we meet, unhappy though free
As our burning souls cry, 'Lord, I see
fraternity'."

Kappa Alpha Psi Fraternity was founded on January 5, 1911,
at Indiana University, in Bloomington, Indiana.

The fundamental purpose of Kappa Alpha Psi is achievement.

Advisor's Foreword

The putting together of a yearbook is not a matter to be taken lightly. I am honored and pleased to have been selected to serve as advisor. Somehow, I thought I would have hundreds and hundreds of you knocking on the yearbook door to to help — this was wishful thinking. Due to ill health, I sometimes thought I would not complete this project, but I did, and I am very pleased with the final results.

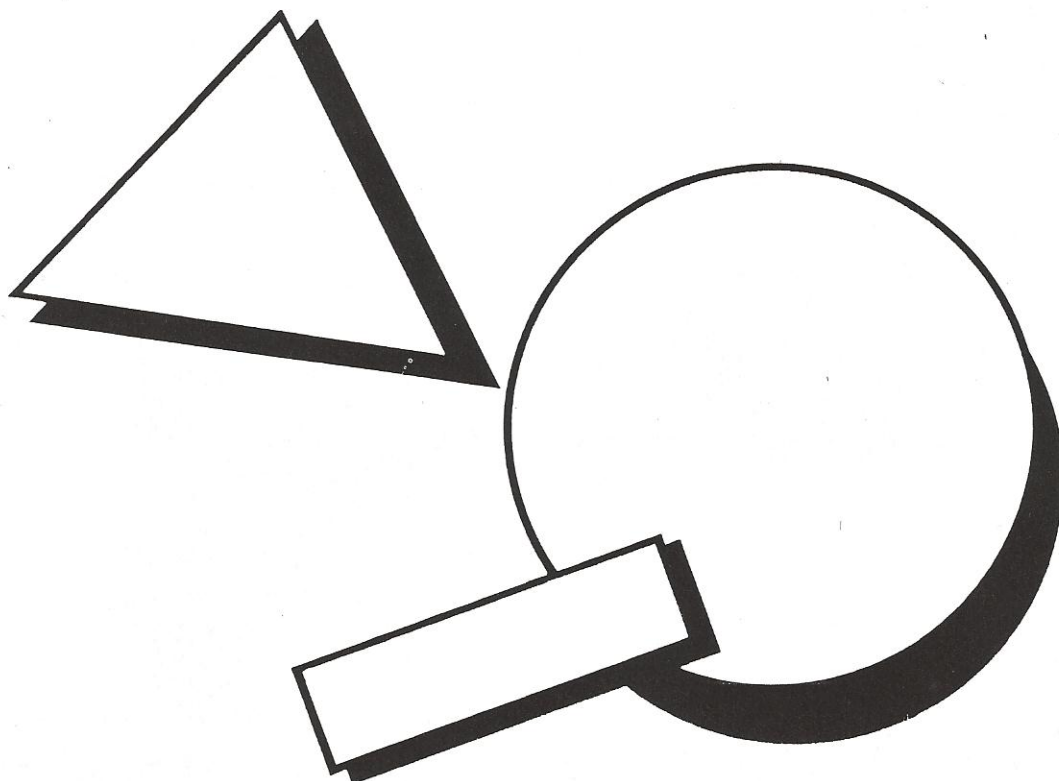

We have tried to capture the spirit of the school. The antics of William Moore and his Campus Clowns, to the seriousness of discipline. Friendly smiles, friendly hellos, and the friendly good byes, which will be shared in June.

I would like to thank the Annual Staff for being there for me when ill health kept me away. I'd also like to thank my sisters and my friends for coming on campus and 'helping out' during the holidays.

You have been a wonderful group of unique people. I shall always treasure the pleasure of having known and worked with you.
