

Fancy Footwork

Determined 'Til The Very End

Enthusiasm was high among the football team as the War Hawks roared out to meet the opposing team. Could this season be one of our best? Wesley Jones, Chris Fowler, and Kenneth Greenwell were Senior transfers from Walterboro High School. These players proved invaluable for their positions as well as to the team by providing leadership and big plays. Coach George Brittle said, "Our attitude this year was that we were going to win."

After a season opening loss against Dorchester, CPA knocked off 3 opponents in a row already exceeding its victory total last year. After Colleton Prep defeated First Baptist 21-7, Coach Brittle admitted he was "flat-out" surprised. Credit this one to the Hawk defense, which stopped First Baptist inside the 20 four times and twice inside the one. The victory lifted the War Hawks to a 6-2 record overall and 1-1 in it's AAA region. The Hawks

were then in a position to control their own destiny next week when they took on Thomas Heyward. The game against THA was a great disappointment. The final score was THA 17 — CPA 6. This year's season proved remarkable. Mike Smith said, "Senior leadership and teamwork are the backbone of a winning team. Individuals cannot win games, as we have seen in the past."
