

A Spirited Squad

Cheerleaders Prove They're The Best

Touchdown! Sophomore Holly Davenport throws footballs to the screaming fans as the varsity player's score again.

Ten cheerleaders and their sponsor, Sandy Tyler, piled into cars and headed for Columbia on June 20. Four days and many hours of cheering gave more than just many preparatory skills for the following season. The week's work provided the cheerleaders with a pyramid of awards. The group received the spirit stick four days in a row. During

camp, Juniors Lee McConnell and Kristie Smith competed for the All Stars-Excellence Awards. In August, the cheerleaders moved onto concentrating on Jamboree '90. The moves were sharp and well executed, but they were most remembered for the energy put into the routine and their smiles. With only one senior — Charla Valentine the captain, it was

very hard to get all of the cheerleaders together to practice because many had after school jobs. They managed to practice at least twice a week. The varsity squad cheered for football and basketball home and away games. This year's cheerleaders proved capable of handling all their school work, cheering and other extra-curricular activities all at once.

What faces! These excited girls were just chosen as the 1990-91 Varsity Cheerleading squad. L-R, Paige Headden, Marie Deloach, Kristie Smith, Lee McConnell, Shelley White, Charla Valentine, Donna Stringfield, Holly Davenport, Laurie Steele, and Jennifer Carter, not pictured Landis Williams.
