

# "We Feel Good"

The Youth Advisory Board is a very dedicated group of students. Members decorate all three school buildings and sponsor dances for the middle school. They also put up posters that promote high self-esteem and drug and alcohol abuse prevention. The YAB presented skits at a PTO meeting concerning these topics. These are only a few of the activities the YAB takes part in within the school. "In the long run all the hard work and dedication is worth it," said Marnie Amerson.

Membership to the YAB is open to any student in grades 8-12. This year's members include: Randee Ritter, Anne Clamp, Marnie Amerson, Dargan Rowe, Cope Johnston, Tina Patel, Amy Carter, Walter Fralix, Clay Folk, Amy Godley, Perry Hunt, Jennifer Beach, Ashleigh Padgett, Garnett Johnston, Lindsay Davenport, Ginger Speaks, and Mrs. Folk, the YAB advisor. The YAB members spend much of their free time helping to make a difference within the school.

*Shake, Shake . . .* Leon Boucknight thanked Mitch Mitchell for being his assistant. The YAB sponsored a program with comedian, Boucknight as guest speaker and performer. Students related easily to his style of presentation.

*Carpenter?* No, that's Clay Folk. He has been working hard all summer, along with other YAB members painting lockers. This was a school service project well appreciated by the CPA students.
