

Spreading The Word

The Spanish Club is an organization that opens its membership to any high school student. To be part of this club you don't have to speak Spanish, but you do have to prepare yourself to experience Hispanic traditions. The Spanish Club celebrates Hispanic holidays by having picnics. At these picnics the members are regaled with facts about Hispanic countries and their people. Columbus Day, the Day of the Dead, and el cinco de Mayo are a few celebrated holidays. When Christmas time comes along, the lighes are dimmed, and the candles are lit. The Spanish Club fills the halls with sounds of Christmas Carols sung in Spanish. "Being part of the Spanish Club is so much fun! I've learned so much about a different culture, and I had a good time at the same time," stated Anne Clamp.

The WAR HAWK is a newspaper put together by CPA students. They worked hard and long selling ads, interviewing other students, typing, and getting the latest gossip together. Raising money is an on-going concern. The Spring issue — known for its Last Will and Testaments by the Seniors — always sells well. The WAR HAWK provides not only memories, but it also provides students with the information needed to keep up with various activities taking place in and around CPA. News articles are turned in by each class from K-12. Outstanding achievements of CPA students are also recognized.

The 1992-93 Spanish Club officers include Amy Carter, President; Tina Patel, Vice-President; Sharon Folk, advisor; Anne Clamp, Secretary; and Wanda Herndon, Treasurer.
