

CELEBRATION

The CPA football team rushes through a tunnel of Hawk fans as balloons are released during Homecoming festivities. The Hawks celebrated Homecoming with a huge 35-14 victory over Wardlaw.

HARD WORK PAYS OFF

Some players practice carrying the ball while others work on blocking drills during summer practice. The football team began practicing on early August mornings to prepare for the upcoming season.

FOOTBALL

HOUSE OF PAIN

If they stay healthy, they'll be okay. With a little luck, we could have an excellent season.

Early in August when the Varsity football team set out for camp at Charleston Southern, their greatest hope was that no one would get hurt. There were 15 players and Coach Brittle could only say, "If they stay healthy, they'll be okay. With a little luck, we could have an excellent season." The 1992 Hawks turned out to be more than okay. At the end of the season they were

named 3-AA Conference Champs and they were 4th in the state.

The Hawks began their spectacular season with a win over First Baptist, but the highlight of the season was the 14-13 overtime upset of Dorchester, the first in years. The team went on to claim the conference championship by defeating Patrick Henry, who came into the game undefeated. The

Hawks were disappointed in the state semi-finals by losing to Clarendon Hall. Nine team members were named All-Conference and the Hawks finished their best season in years with a 7-4 record.

INCOMPLETE

Sophomore Brandon Hiott and senior Craig White knock down a pass in the end zone.
