Good Students Don't Burn The Midnight Oil Anymore.

Thanks to electricity, students are studying by much better light these days.

But lighting is only one of thousands of innovations brought about by electricity. Innovations that have made education more exciting. And more challenging.

So work hard. And we at SCE&G will be working hard too. Working to insure that you'll always have a plentiful supply of the world's most important energy.

**SCE&G. WE KNOW HOW
IMPORTANT ENERGY IS TO YOU.**

At South Carolina National Bank, we don't believe it's a crime to be invested with more intelligence than money.

That's why we created our Bargain Checking Account.

It's the checking account for people who don't want service charges. But who do want unlimited check writing privileges.

In fact, Bargain Checking goes one better than that. Because also included is a

free ATM card that you can use free at over 125 TouchMatic Banking locations all over South Carolina. Including those at our beaches. Plus you can use the card in thousands of Relay[®] and Cirrus[®] machines across the country.

So don't get caught paying unnecessary service charges. Instead, get Bargain Checking from South Carolina National. Where your statements won't be held
