

Stephanie,

You are a wonder to your Dad and me! You have surpassed our greatest expectations of you in every way... as a scholar, an athlete, a sister, a friend, and a daughter! The future is yours to grab on to with all the enthusiasm in your heart. It is a big heart! Always know that we believe in you and that you have our everlasting respect and love. Keep on shining!

Love,
Mom & Dad

Steph,
You have been a wonderful daughter. Remember to work hard and you will succeed in all you do. I love you!

Dad

Steph,
You are a great sister. Thanks for all the times you helped me. I'm going to miss you. Good luck in college.

Love,
Ansley
