

For All That You Do

It is not very often that an extraordinary person comes along. Someone with kindness, a smile to brighten your day and always good sound advice. When such a person comes along, however, they touch our lives in many ways. The 1998 Talon Staff is proud to dedicate this years annual to a person we deem especially exceptional....Mrs. Susan Upchurch.

Mrs. Upchurch first became associated with the John C. Calhoun family in 1980 as a substitute math teacher. Over the years she has held a variety of positions including substitute, teacher, and in administration. She has shown her school loyalty in many ways, always at the football games; always willing to sing the Alma Mater at the pep rallies; and always there for a student no matter what. Her loyalties and involvement with the school even extend to her family. In 1981 she married JCCA alumni and future CPA boardman Mike Upchurch. They now have three children, Sloane, Michael, and Ellis, all of whom attend CPA.

Mrs. Upchurch performs a variety of duties here at CPA.

Always with a smile for someone, Mrs. Upchurch enjoys her day in Charleston.

Her pride and joy. Mrs. Upchurch enjoys a moment with her three children Michael, Ellis, and Sloane.
