

Secret Pal

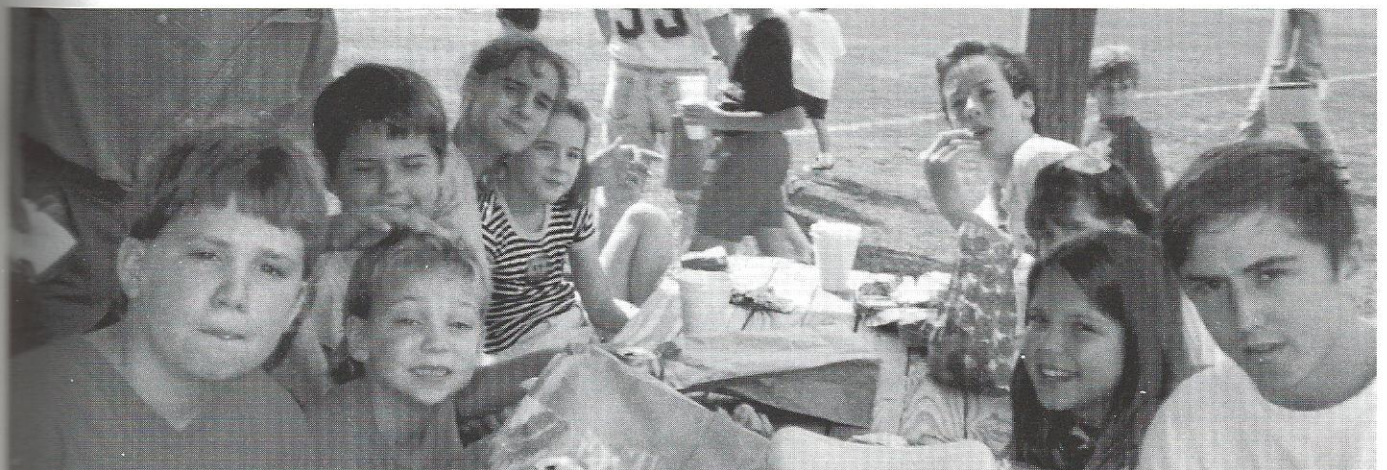

This year, the Student Council sponsored Secret Pal Week again. Every day during the week, middle and upper school students brought surprises for their pals in the lower school. On Friday, everyone enjoyed a picnic lunch and played on the playground.

These 7th graders ate with their pals in the bleachers on Friday.

Bill Richardson played with his secret pal on the big slide.

Wesley Henderson and his pal, Billy Nettles, became fast friends.

Everyone had a great time!
