"I want to be a real cheerleader because it is fun and something I enjoy doing."

"I like being a Weehawk because it is fun and it's exciting to do at half-time."

The 1998-99 Weehawks were a major asset to our athletic department. Kindergarten through fifth grades were involved in the program. The girls worked hard at their practices after school so that they could provide half-time entertainment for football and basketball games. Being a Weehawk inspires some to become cheerleaders when they are older and it helps them to be better at it.

Show your spirit! Some of the Weehawks stop to show that they are supporting the Hawks too.

Playing Around!  
These Weehawks show that recess can be fun while wearing a cheerleading skirt.
