

# Preparing For Your Future

*Students think about future diplomas.*

When graduation comes near students begin to think about their upcoming diplomas. For general diploma requirements, a total of 18 credits are needed. For college prep diplomas a total of 20 credits are required. But, the class of 2001 will be the first class to need 24 credits for college prep. All other classes after them will have to meet this same standard.

Johnny Owens takes his time completing his SAT form.

Duncan Hunt show off his skills on the computer. Duncan was in for a definite schedule shock when he transferred from Walterboro High's block scheduling to Colleton Prep's.
