

Times Together

During the year a lot of the students at Colleton Prep became good friends. They spent special times together and made memories they will never forget. Colleton Prep's foundation rest on the development of its students and part of that development is growth. Physical and mental growth. We we are and what we become can also be defined by who our friends are, Who we laugh with, who we cry with and who we love. These people are as much a part of our personality as we are of theirs. Sometimes we forget that.

Chris Zipperer, Caroline Henderson, Sloane Upchurch, Mary-Margaret White, and Emily White have a good time together at a JV Football game.

Haley Hogan and Sloane Upchurch were just two students to form a great bond this year.
