

Bump...Set...Spike

Volleyball 1998

Once again the Colleton Prep Volleyball team had a rebuilding year. The girls went to a summer camp and learned a lot. With a new coach, the girls had to find their direction again. They had a rough start and a long, hard season but finished with 3 wins, an improvement from the last two years. With more hard work and practice the Lady Hawks hope to come back next year even better.

Jess Clamp and Ashley Smith get a ball before the game and warm up.

Ashley Smith sets the ball for Jess Clamp while Stephanie Hinton waits ready for a possible return.
