

KINDERGARTEN

1999 GRADUATION

Nicholas Clark, Felicity Cisneros, and Brittin Carter follow Mrs. Aichele's directions.

Graduation is a big day, especially if you are moving into the Elementary School. Our fine class entertained all and shared their years worth of knowledge.

Onward and upward!

A pledge to the flag. As we begin each day, so we begin our first commencement exercise.

Our first diplomas granted by the school and presented by Mrs. Goehring. Katie Osteen is the proud recepient.
