Bug,

You will always be my little bug. I love you very much and I am very proud of you. Keep on studying to complete your education. I'll always be here for you. I love you, Daddy

I have watched you grow through the years to see you turn into a beautiful young lady. Keep striving to be the best that you can be. I am proud of you and love "The Apple of my Eye" as always. I love you - CONGRATULATIONS- Granny

May all your dreams come true. Reach for the stars. Love you Michelle & Michael

- Tooters, taxi cab service-
-my little bug-
-oh! can I make it without you-

In my eyes you were my little Tooter from day one and still are today. We dressed you like a doll, loved to show you off, and my cash flow was always low after our many shopping trips. You have come so far and made such a beautiful girl. Stay sweet and don't forget Aunt B. Continue to my little model like you always have been. I will always have a special place in my heart for you and I know you will be successful in whatever you choose to do.

I AM SO PROUD OF YOU!
I love you Aunt B
