To Meggie, Congratulations You have a wonderful life full of opportunity waiting for you. I am always proud you are my daughter; I am proud of what you have accomplished; and I am equally proud of what I know you can become. Share your unique gifts. Ignite your inner light. Shine, and shine brightly. Motivate yourself and others. Love yourself and others. Sing, dance, care, feel, listen, learn, and laugh; and always know I love you.
