

WELCOME, MR. O'GORMAN!

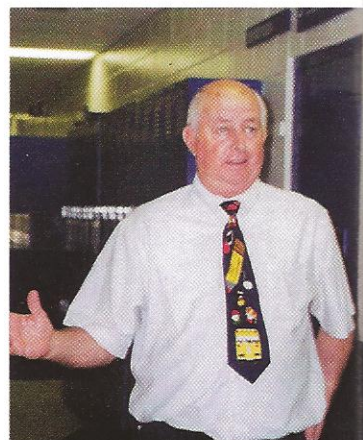

Mr. Louis O'Gorman took the position as headmaster this year. Possessing fantastic school spirit and an extraordinary ability to compromise, he is a valuable asset to Colleton Prep. He always has a friendly greeting for everyone and is present at every pep rally. Mr. O'Gorman is a very accomplished man, having know-how in many fields and coaching experience. He also served in the US Army and has been the member of several prominent organizations. His wife, who is also a member of the CPA faculty, and he are very welcome here, and we hope they have a good year!

Mr. and Mrs. O'Gorman enjoy themselves while participating in a pep rally game. Who knew walking with three legs was so much harder than walking with two?

While directing morning traffic, Mr. O'Gorman gets the chance to chat with CPA parents.

"Well you see, it's like this..."
