

Chaz Soard is interrupted while typing an assignment for computer class. That's okay though; who doesn't want to take a break from work?

Aren't these cheerleaders cute? Harriette Bridges and Ellis Upchurch smile enthusiastically before cheering.

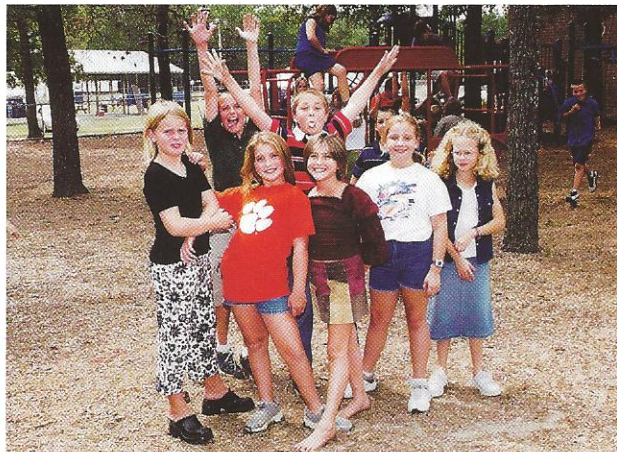

"I'm so confused! I sure hope Brittany is going to ask about the same thing I'm wondering about."

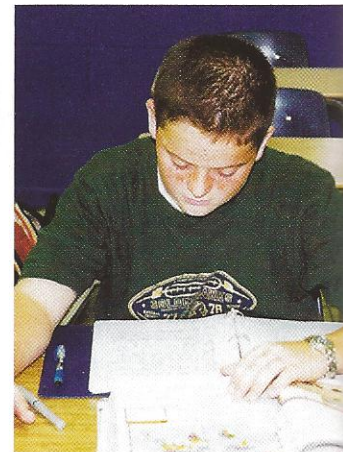

"Who lives in a pineapple under the sea?" These fourth graders definitely enjoy watching SpongeBob Squarepants in the library.

Brittany Hogan gives her book her full attention. She wants to make sure she knows the information by heart.

Wow, just look at this crazy bunch of kids!

"Okay, if that's India over there, then this country here must be..."
