

A Trip to Beaufort

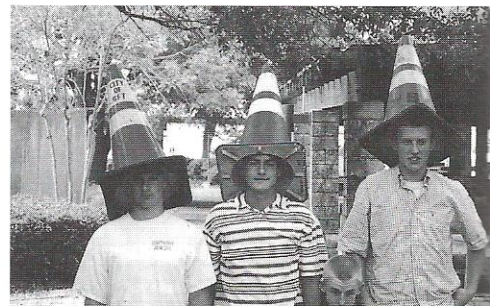

On September 18, 2002, the Senior class went on their annual Senior Day Trip. They went to Beaufort to relax and to take a few Senior pictures. The class toured the Historic Waterfront area. They spent some time at the Waterfront Park and Marina.

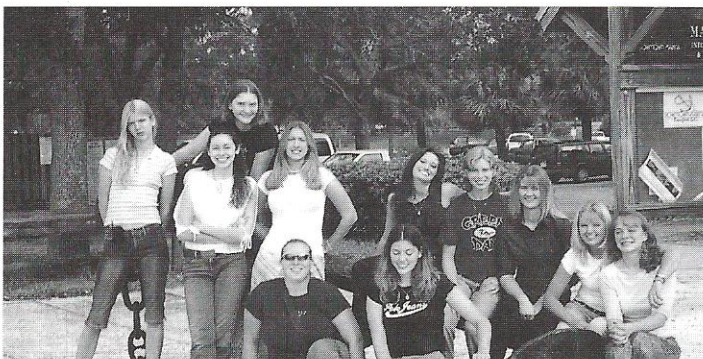

Some of the senior guys go out on the boat dock to pose for a quick picture.

Are Bryan and Samantha actually getting along?

Jason, Kyle, and Drew try to show off their new hats while Boone slips into the picture.

The senior girls take time out from their busy day in Beaufort to take a picture together.

Ashley, Terri-Lyn, Wesley, and Jason take a break from walking.
