

PTO Valentine's Day Dance

Every year the PTO sponsors a Valentine's Dance for grades K-8. The children and their families come to the gym for a night of dancing, raffles, cake walks, food and fun. The money raised benefits the school by providing "extras" for the students and staff.

Austin Odum and Katelin Harriett have a great time together at the dance.

These girls really know how to perform the Macarena.

Chase Odum enjoys a dance with the fine Brittany Eustace.

It's a Soul Train at the dance. Come on ride the train...
