

# A great ending ends with a great group

Chris Hutto, Daniel Lewis, and Jason Brown use the new Dell computer to finish their pages for the final deadline.

Brad Harriett and Bryan Thomas get some CDs to be used to submit the pages.

**Dude, We got a Dell!  
no more MACs!!!**

Journalism is a class at CPA in which the students prepare the Talon from start to finish. This year the class was comprised of juniors and seniors. The staff members are required to sell ads, design pages, take photos, crop pictures, and correct proofs from the Jostens printing plant. The Talon members learn to meet deadlines as well as work within a group to get the yearbook completed in a timely fashion.
