

# Location:

When not a hardware store, this is usually a dealer of fashionable clothing.

Where's the waterfall? This Christmas scene concealing the waterfall was built in less than a week!

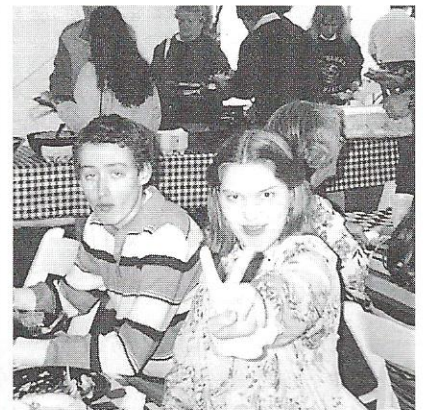

From antiques to groceries—some people even came into this store wanting to buy what was displayed in the window.

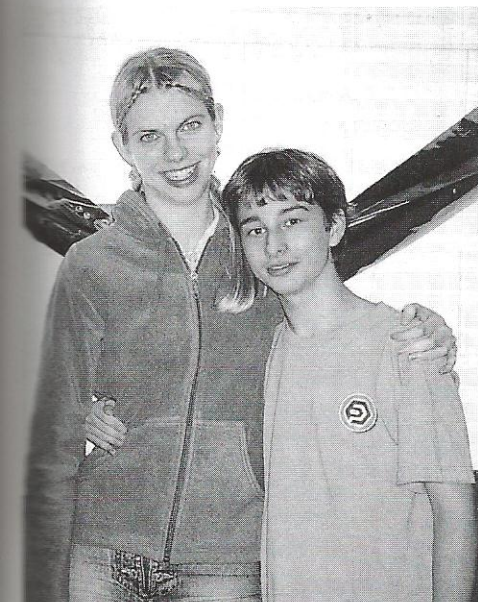

Kaitlin played her true, life role: a cute and lovable little girl. Awww.

Look at that movie star-smile!

Peace!

These two sat in the stands for the basketball and football scenes.

Lehe is so star struck by the whole experience, he feels the urge to blink.

Whoa, wonder which one will make it onto the cover of People first.
