

# Sixth

Top left: Jennings Burtram and Abigail Land say school is all about having fun  
 Top right: Watch out—the sixth grade group is coming through!  
 Bottom left: This group is literally just “hanging around.” They all really miss recess this year.  
 Bottom right: Garth DeLong shows off his skills in upside-down reading

*An equation is something for eternity.* *Albert Einstein*

Above: Cole Hogan daydreams while in Mrs. Carter's math class. Or maybe he was just contemplating today's work on the board.

Above: Sixth graders try to win the spirit contest at the pep rally.
