

Osh Kosh'be Josh. I can't believe you're already grown up. You will always be my little man. I am very proud of you, and I know that you will succeed in life. You are a very unique person with your own ideas in life, and I will always support you with your decisions as you start your college years and become a young adult. Always keep your humor and don't change for anyone. Good Luck in college.  
Love you Squash,  
Mom
