

Clay,

No matter where you go, Remember this...
Always hold honor as high virtue.
Despite how the world might be, rise above.
Always speak the truth, because others will hold
you in high esteem as a man who can be trusted.
Never loose faith in your fellow human beings,
despite times when they may let you down.
Never forget to thank God for the opportunities
you've been given. Believe in hard work. No one
will hand you the future you want. The ladder to
success is steep, but take one step at a time and
you'll get to the top. No matter where you go or
what mistakes you make, remember that your
family will always be here for you. That's how
deep love goes. Always believe in yourself. Your
happiness depends no one else but you. If there
is something that you are
unhappy about, you must
change it. Always hold
love close to you. When
you make a commitment,
cherish it for the rest of
your life.

We love you,
Mom, Dad and Caleigh

Hallelujah!
She finally made it. I'm proud of you!
Love,
Dad
