

## Farewell From the Class of 2006

We'll always remember the good times,  
 The laughter and the joys  
 The days we spent together as little girls and boys.  
 We all walked in as children each bringing their own faults  
 But now the time has come for us to leave here as adults.  
 So, thank you, teachers, staff, and coaches for all the knowledge that  
 you've shared  
 For showing us with each year that passed, how very much you cared.  
 As each new chapter opens and the old one soon ends  
 We'll leave these halls surrounded with the memory of our friends.  
 To Mom and Dad we thank you for each time we searched the crowd  
 And always found you seated there so that we could make you proud.  
 You gave your time so freely and we know you are always there  
 So thank you Mom and Dad for all the love you freely share.  
 Caps and gowns will adorn us on graduation day  
 As the Class of 2006 becomes alumni of C.P.A.  
 For no matter where life takes us or the path we choose to walk,  
 We will each be a grateful Colleton Prep War Hawk.
