

Kristin,
 I am so proud of the young lady that you have become, the goals you have set for yourself, and all the things you have accomplished over the past 18 years. I want you to know that I will be there for you through the good times and disappointments life may bring. I know Pappy and Bubba are so proud of you. Remember you will always be Pappy's frog, and my babydoll.

*Love always,
 Mommy & Snuggles*
