Meagan,  
who would think  
someone making a  
Barney fashion  
statement like this on  
their first day of school  
could graduate to be  
such a beautiful,  
responsible young  
lady. I'm so proud of  
you.  
Love always,

Sister,

I love you and I am so proud of you! It seems like just yesterday, I was trying to take you back were you came from. I can not begin to tell you how proud I am of you. We have been through so much together. It has made us better people and closer than most sisters. You are my best friend and I don't know what I would do without you all these years. I know you will go far in life, just keep your head up. Remember - The Kinard girls are the best in the world!

Love,

Your Sister,

Toni 2 (aka "T")
