

Meagan Kinard

Squash ~

You have always been my little star. How about all those trips for beanie babies? You have made me so proud, so keep studying and complete your education and I am thankful to have a daughter like you.

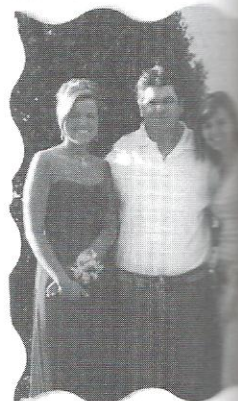

Love you - Daddy

You've come along way and have grown up so fast. You've overcome many obstacles and have persevered through them all. Nothing can hold you down. You have the determination and charisma that others can only imagine. You will go on to become something great. We have all the faith in the world in you. You are a great role model for your siblings and are a young lady that w3e can all take a great deal of pride in knowing and loving.

We Love You & Are Very Proud Of You!

Daddy, Pam, Parker, Natalye, Caroline and Toni II

it seems like yesterday you were dragging around dolls and dressed in frills and bows. Now you have grown up to be a beautiful young lady that we are very proud of. Follow your dreams and put your faith in God and you can accomplish anything you set your mind to. Always remember Aunt B will be here just a phone call away. Wishing you the best with much love.
