

Jeffrey,

It is hard to believe this day is here. You have given us precious memories to treasure for our lives. Please always remember to follow your heart and go for your dreams, always keep the Lord with you, and use your head.

Love always,  
Mom and Dad

Jeffrey,

Of the radiant gifts you give, it's your heart that shines brightest and best. Pass on your positive spirit and remember there is no limit to what you can achieve when you believe. Laugh, live and smile...for what you get out of life comes from what you put in. We love you!!!

Bucky,

You and I have always had a special bond. It is so hard for me to believe that you are graduating high school. It seems just like last week that JR and I would spin you around in the hall way and let you run into the wall, or you would sleep next to me. Always be true to yourself and know that your "FoFo" is always right here for you. We love you! Congratulations!

Love,  
Jenna, JR and Jessica

Bucky,

It seems just like yesterday that you were, "Bucky Beach", now as you start this new journey in your life always to remember to keep your faith, believe in yourself and know that you are never alone for we will always be with you, believe in you and love you.

Love,  
Woo Woo, Uncle Roger, JR and Fu
