Mom & Dad

Dearest Meagan,
You'll always be my baby sister. When I think back on all our memories, I think of that moment that describes why I love you so much is because you are the type of person who said (about our new kitten) at age 3, "you can pet him first." You've always been the most giving, loving, kindest person I know. You are the perfect example of what it means to show unselfish love toward others. I hope you realize what an amazing individual you are, but if not, I'll be here to remind you. You will always be a huge part of my life and my heart.

"I could never love anyone as I love my sister!" Jo March,

All my love,
Aston
