

Catherine,
It is so hard to believe that we are actually writing this letter for your senior page. You would think after 17 years to prepare we would know exactly what to write.

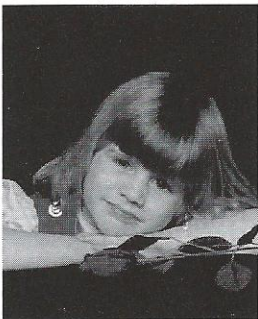

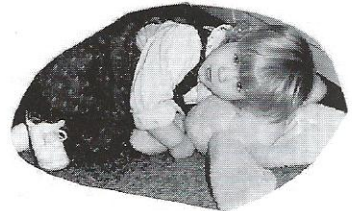

From the very first moment we held you in our arms we could not believe how wonderful you were. We knew we had been given a blessing. You have proven that to be true through the years. We are so lucky to have you and we think God everyday that he chose us to be your parents.

You make the world a better place. You can light up a room with those beautiful blue eyes and that gorgeous smile. You have blessed the lives of all those that you touch. You have always been such a positive influence on your younger brothers and you will always be special to them.

Although, your time with your grandparents was so short please know and always remember how very proud they were of you and how much they loved you.

We know you will succeed in all that you do. You have the courage and the grace to face any challenge.

You are a special gift from God. We are so proud of you and love you with all our hearts. We will always be here for you.
We love you,
Mom, Dad, Richard and Nick

Catherine with your eyes so blue
You make us so proud in all that you do
Your smile brings us sunshine to all that you know
Our dreams all came true as we watched you grow
God sent us the best on the day you were born
To keep you or send you we know he was torn
Our lives have been blessed with you by our side
Our hearts burst with love, joy and much pride
So, wherever you go or whatever you do
Always remember how much we love you

Mom and Dad
