

# Chancey...

*precious*

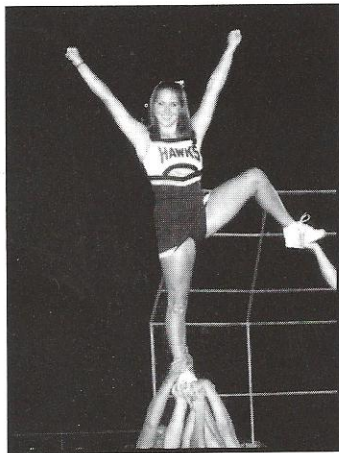

*beautiful*

*loving*

*goofy*

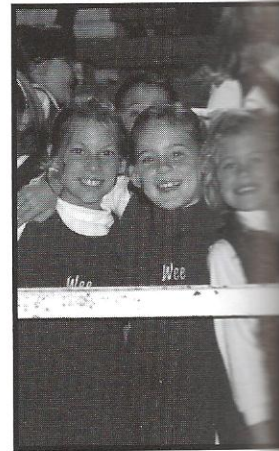

*strong*

I love everything about you (even when you're grumpy), and I'm so proud of everything you are. The future is yours Chance...make it anything you want it to be. And if things get scary, just look over your shoulder...I'll be standing right there.

I love you baby girl,  
Mom  
(your biggest fan)
