Courtney (aka CJ, BooBoo, Baby Girl)  
 To the daughter I am so thankful for, the happiness and joy that you have always brought to me. May you always believe in yourself and accomplish the goals and dreams you set.

I am so proud of you. I wish we could set the clock back and live most things once again, b/c you have grown up so quickly. Make your Mom and me proud!

Most importantly, make yourself proud and things will then come to you  
 LOVE YOU!  
 Your Dad, Mike

It is so hard to believe my little sister is graduating! I am confident that you can achieve anything you wish in life. I am honored to call you my sister and my best friend!  
 Love ya!  
 Nicole

I thank God for you. You are loving, honest, beautiful, principled, determined, independent, and intelligent. I pray you always keep the wonderful qualities you have now, and I am positive that you will be successful in all life's endeavors. Find happiness in everything you do. Be strong and decisive, but remain sensitive. You will always be my baby girl, even though you are now an incredible young lady. I am preparing myself to watch you spread your wings and fly. I thank you, Courtney, for always making me beam with pride!! I love you always, Mom
