

Travis Grant Crosby

You have been smiling since you were born, and have grown into a very caring and loving young man. Follow your dreams in life and you will go far. We are very proud of you and love you very much.

Mom and Dad

Since you were born, I've seen you grow and mature into a wonderful person. You have a big heart, always willing to help others you don't even know. Too often people forget how to do that, but I know that won't be the case with you. This quality will take you far in the world, and I'm looking forward to seeing how far you go. I am, and always will be proud to be you brother, I love you Travis.

Jason

You are truly my best friend, and I know that you are going to do special things in your life. I will always be there for you, and let me know if you ever need anything at all. I love you and I'm proud of you. Good luck with everything and hold your head high.
