Love you, Laura

Margaret,
 The name Margaret means "pearl," and that is what you are. You are a rarity, the one most sought after. Sometimes life can be difficult, and sometimes we have to endure adversity. You have risen to the occasion and dealt with so much for your age. You have become a precious gem of a young woman. We have always and will always be so proud of you and we love you. May God bless you always.

Love, Daddy and Nancy
