

Caroline Hughes

Dear Caroline,
I love you very much.
You are the best
sister ever. You will
always stay in my
heart even when you
are away at college.
I Love You,
Amanda

To Caroline our precious senior,

It has humbled us to think that our Heavenly Father and His son our Lord and Savior Jesus Christ, would bless us with the opportunity to parent a daughter like you. Continue to listen for and to the Lord's still small voice. Trust and Obey it and you will be lead through a journey that is as special as you are. May you be as blessed with your future as we have been with your past.

We love you (but Jesus loves you more),
Daddy and Momma
~Jeremiah 29:11, 13~

Caroline,

I am very proud of you. Your future
accomplishments are limited only by your
imagination.

Love you,
Agnes
