

Faith Ponds

To my only beautiful daughter, Faith who has truly been a gift sent from God. Through overcoming the obstacles associated with a terrible automobile accident in 1990, Faith, you have given me the inspiration to keep looking ahead and going forward. I've watched you perform in gymnastics, piano, swimming, and dance striving to do your very best. I also watched you overcome battles in tennis. At first, it seemed so difficult, but in the long run you became an outstanding player. Overall, you have given your best even in your subjects at school resulting in straight A's.

I want you to always remember wherever you go that I love you. And Faith, always remember that God loves you. Give Him your best in whatever tasks and goals you set before yourself remembering always that I'm with you in prayer.

I love you!
Your Mom, Teresa
