

Angel Peters

Our Dearest Angel.

It's hard to believe almost 18 years have gone by! Where did the time go?

You were our little Angel when you were born, and will be our Angel for always.

Follow your dreams and chase your goals in life; remember to keep your priorities in perspective!!

We'll always be there for you, no matter what life brings along.

*Good luck and love,
Dad, Mom, and A.J.*
