

# Joslyn McCraw Von Kaenel

Joslyn,  
Independent, self-reliant, loyal, dependable, kind hearted-- these are just a few of the words that come to mind in my every thought of you. I am confident you are ready for the next stage in life and I hope it brings you as much pleasure and joy as you have given me. You are a wonderful daughter and I watch you move on with both tears of happiness and sadness. I will miss you in my everyday life. Continue to do your best in both studies and making decisions, and you will be fine.  
**I Love You- Mom**

Jos,  
Congratulations on a job well done! Your hard work and efforts have helped you achieve a major goal in life. Also, Joslyn, the care and concern that you show toward others is an important skill that requires repetition...and practice "delay of gratification" (work first, play later)...You have future challenges. Keep setting your goals and you can achieve what you now only dream of. I am very, very proud of you! As always, you have our support and unconditional love.  
**Love ya,  
Dad**
