Wow, the years have passed. It seems like yesterday we were playing in the sandbox together. We will always have so many memories to share. You have always been there for me, and I will always be there for you. I hope you have fun in college because I will miss you!

Love,
Your brother, Tyler

Heaven sent down a tiny angel to capture our hearts and fill our lives with joy. We are so proud to see what a beautiful and extraordinary young woman you have become. You always remember your values of respect, caring and generosity whatever the situation. When life throws you a challenge, you always do your best. We are so very proud of you.

Continue to believe in yourself, always doing your best and surely you will choose paths of success. Remember, you can be anything you want in life. No matter where life takes you, we will be there to stand beside you. We are so BLESSED to have you as our beautiful daughter.

We are so proud of you!

Love,
Mom and Dad
