

# Dedication

## Charles Strimple Charles Strimple

This year we are honored to dedicate the 2010 Talon to Mr. Strimple. His alternative ways of teaching have kept us occupied without falling asleep! He even has a way of making things like writing a boast or creating crossword puzzles fun. Mr. Strimple is known for his humor, his kindness, and his Harley which he rides to school most days. When the class of 2010 hears the word "HROTHGAR" we will always think of Mr. Strimple. Thanks for making the class so much fun and for being a great teacher.

Love the Class of 2010!
