

# HANDS ON LEARNING

Q: What was your favorite thing about going to the science lab?

A: Seeing if a Diet Coke or Coke can would be able to float in water.

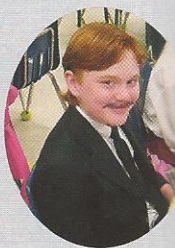

-Allyn Wiggins

"I loved going to the lab with Mrs. Langdale because I kept hoping that something would explode!"

Matt Craven

"Being able to take English 101 at USC-Salk was a good experience and helped prepare me for my future college life."

Jennie Meetze

Hunter Polk enjoyed dressing up as Orville Wright for his report, but thinks the coolest part of the project was helping his dad make an airplane out of toothpicks and paper. He even got to bring it to school and show his class!

Mrs. Bolt's 4th grade class really got into character when presenting their book reports!

Bailee Stanley is ready for class every day of the week. She says that Friday is her favorite day of the week because she LOVES P.E.!!!

TL: Rhett Fender gets reacquainted with his calculator in hopes that it will help him get through his math class. TR: CJ Jones and Trey Stivender busily type their report for English  
BL: Claire Copeland, Marla Strickland, Ally Knight and Shelly McDonald loved testing out the lab  
BR: Emily Wilson takes her turn at the smart board while Grier Frank watches and learns!
