Being on Student Council for the past 4 years has allowed me to actively participate in fundraisers that have been beneficial to the student body. I'm glad that I had this opportunity.

Jennings Burttram

I have been a Christian my entire life and am thankful to be able to participate in and be a part of an organization like FCA.

-Jordan Breland

FCA is not only when fellow believers can come together and share our thoughts, encouragement, and love; but where we can step away from the world and focus on growing closer to God. We need to worship him every second of our lives because life truly is about Jesus and his everlasting love that he has for us.
